first hurdle is to get them to think about their connections to other people who do not look, act, or think like them.

This is where cinema comes in. People love movies....

[Pandemic/Protest Teaching](#)

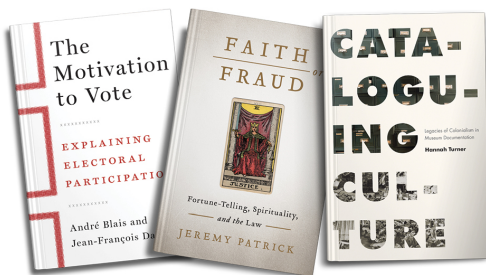

by Elizabeth Allen

I wanted to let my students study Chaucer for a while, free from allegories of modern life and suffering. But Chaucer wrote a meta-narrative, and the Canterbury Tales is all about community. And the analogies to modern life reared up before me all through the class, half-formed and hungry...

[The University and the Slave Plantation](#)

By Biko Agozino

In the light of recent Black Lives Matter uprisings, colleagues have been wondering how Virginia Tech is planning to address the legacies of slavery still standing on this campus contrary to its 'Principles of Community'. The following are some of the suggestions on how to address the concerns of members of the community who would like to honor the legacy of enslaved people on the campus site.
